### **VING Partners for Careforce**

The Virgin Islands National Guard in partnership with other governmental agencies and local organizations celebrates Careforce's 10<sup>th</sup> Anniversary of support to the senior population of the territory. Health screenings will be rendered from October 18 - 21, 2010.

Careforce is a joint civilian and military initiative first launched in the territory in 1997 by the Indiana Air National Guard. Since 2000, the project has been held annually. Each year, the Virgin Islands National Guard Medical Command provides manpower, medical support, and assistance with the planning of the event.

Careforce is a V.I. community partnership that provides free flu shots and health screenings for the territory's seniors. Its purpose is to increase the provision of preventive health services.
